

19<sup>th</sup> January 2017

Dear Parent/Carer

As the main examination season is fast approaching for Year 11 pupils, we would like to make you aware of the revision sessions that are taking place after school.

**Attendance at these sessions will have a significant impact on pupil performance.**

Pupils will receive a Revision Rewards Card to track their attendance at these sessions and potentially achieve a variety of rewards as they progress.

The timetable for after school revision sessions is as follows:-

Day	Subject (Priority subject in bold)
Monday	<b>English</b> /Business Studies/ICT/ BTEC Sport
Tuesday	<b>Science</b> /Art/Spanish/French/German/GCSE PE/Psychology
Wednesday	<b>Option Subjects</b> (when staff do not have CPD)
Thursday	<b>Mathematics</b> /Art/Technology/French/Business Studies/ICT
Friday	<b>Option Subjects</b>

(Subjects in bold take priority on that particular day)

Further details about the exact location, teacher and lesson content will be provided to pupils via their class teacher. We will also be putting all information about our after school revision sessions on our school website: <http://www.etonecollege.co.uk/help-your-child-revise/>.

**For all Year 11 pupils the school will be open until 4.30pm each week night and it is our expectation that your child remains on site in order for them to access the various means of support as stated above and to maximise their chances of achieving their true potential.**

We would also like to draw your attention to a **'Help Your Child Revise' Evening** taking place on **Tuesday 7<sup>th</sup> February 5.30pm-7.30pm**. As part of the evening you will be able to see resources and strategies that teaching staff recommend for revision in their subject. Further information to follow regarding this.

If you have any questions regarding the information above, please do not hesitate to contact Mr Howes at the school.

Yours faithfully

**Mr I Smith**  
**Headteacher**
