Dear Parent/Carer

Year 11 Mock Examinations

Year 11 pupils will be sitting mock examinations in English, Mathematics and Science week beginning 27th November through to 6th December. A copy of the examination timetable can be found on the reverse of this letter and on our website.

In lessons, pupils have been given information regarding topics to revise, revision techniques and the relevant success criteria. These examinations are vitally important in preparing our Year 11 pupils for their GCSE examinations in May/June.

Revision sessions are available for all pupils from 3.00-4.00pm, as detailed below, and all pupils are expected to attend:-

Monday	Science
Tuesday	English
Thursday	Mathematics
Friday	Humanities/Languages

Please support and encourage your child to revise at home over the forthcoming weeks and inform them that they **must** attend revision sessions. **Should pupils not meet the expected standards, examinations will be repeated.**

Revision resources for all subjects can be found on our website under Publications/Help your child Revise/Revision Resources.

Mock examinations for all other subjects will take place week beginning 29th January 2018.

Thank you for your continued support.

Yours faithfully

Mr I Smith
Headteacher
