

YEAR 10 HOMEWORK TIMETABLE 2018-19

Homework Timetable

Homework is a vital part of a pupil's education. It provides opportunities to further their understanding of work they have done in class and also enables them to develop important skills such as the ability to study and work independently. Homework is set regularly (please see the timetable for details of which night each subject is set). We encourage parents and carers to check their child's planner every night so that they can look through their homework with them. We believe that this helps provide parents and carers with a good understanding of the work taking place in school and leads to better outcomes for pupils.

Homework Expectations

Each piece of homework is to last approximately 40 minutes except English and Maths where a longer piece of homework (1 hour 20 minutes) will be set.

This is expected to increase during exam season to also include revision.
