

YEAR 9 HOMEWORK TIMETABLE 2018-19

Homework Timetable

Homework is a vital part of a pupil's education. It provides opportunities to further their understanding of work they have done in class and also enables them to develop important skills such as the ability to study and work independently. Homework is set regularly (please see the timetable for details of which night each subject is set). We encourage parents and carers to check their child's planner every night so that they can look through their homework with them. We believe that this helps provide parents and carers with a good understanding of the work taking place in school and leads to better outcomes for pupils.

Homework Expectations

Homework tasks will be set to last for 30 minutes except English, Maths & Science where the tasks will be set to last for 1 hour.
