

These are the subjects we are offering for the academic year starting in September 2019. Students will be asked to select one subject from each 'block' (A-E) up to a maximum of 4 subjects (see pathways). Please note that BTEC Sport will offer 'triple sized' options, so span 3 blocks, and are the equivalent of 3 A levels.

Please also note that if a subject is under subscribed it will not run.
