

# ETONE COLLEGE SIXTH FORM

ENSURING STUDENTS ACHIEVE THE BEST THEY CAN

## AT ETONE COLLEGE SIXTH FORM WE PROVIDE THE FOLLOWING:

- A purpose built Sixth Form centre
- State of the art facilities
- Small class sizes with a curriculum designed to meet student needs
- Specialist teachers who are passionate about their subject
- Excellent, individual support and guidance with university, apprenticeship or employment applications
- Enrichment opportunities including the Duke of Edinburgh Award, university visits and masterclasses, finance talks, sports leaders qualifications, lifeskills workshops and national competitions
- Formal dress code - office wear
- Academic monitoring after every report cycle - 4 per year
- Aspirational target grades that would put your child in the top 25% of students nationally

## RESULTS OF A LEVEL AND BTEC SUBJECTS LAST ACADEMIC YEAR:

**99% A\*-E pass rate**

**21 out of 23 subjects at A level achieved 100% A\*-E**

**All BTEC subjects achieved 100% Distinction\* - Pass**

**Extended Project Qualification (EPQ)**

**81% A\*-B (100% A\*-D)**

Destinations in 2018 included students reading Engineering at Durham University, Aerospace Engineering at the University of Sheffield, Cyber Security at De Montfort University and Business with German at Nottingham Trent University, to name a few.

The Ofsted inspection in 2017 reported that:

“The sixth form is well led. There is a purposeful atmosphere from which students benefit greatly.”

“Students receive personalised careers advice and support for their applications to universities or training courses. Students are well prepared for the next stage of their education, employment or training.”
