Dear Parent/Carer

The new parent app – easy access to important school information

We have a convenient new way to share information with you about your child's school life. You will now be able to access our new parent app and website from a smartphone, tablet or PC – anytime, anywhere.

What you will find in the SIMS Parent App:

- ❖ Important information such as your child's attendance
- ❖ School term dates, inset dates and contact details available at the click of a button
- ❖ Your child's school report

You will be able to:-

- ❖ Receive notifications to remind you about important information such as key dates for your diary
- ❖ Update your contact details, so we always have the most up-to-date information in case of emergency
- ❖ Access information for all your children, from the same app, if you have more than one child in the school.

The information that you receive through the app will help you to stay up-to-date with your child's school life as well as support your child's development and progress.

Getting started with the SIMS Parent app

- ❖ We will send you an activation email, simply click on the link from your tablet, PC or smartphone to activate your account.
- ❖ You can then login using your normal **Facebook, Twitter, Google** or **Microsoft** username and password.
- ❖ From your smartphone or tablet, download the app from the Google Play or Apple App store - search for **SIMS Parent**.
- ❖ From a PC or Windows phone, login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login, then please contact your school. Your activation email will expire after 14 days if it is not used. Please email postbox@etonecollege.co.uk if you require a replacement after this date.

Yours sincerely
