

**The new parent app – easy access to important school information**

We have a convenient new way to share information with you about your child’s school life. From September 2018, you will be able to access our new parent app and website. You can access the system from a smartphone, tablet or PC – anytime, anywhere.

What you will find in the SIMS Parent App:

- ❖ Important information such as your child’s attendance
- ❖ School term dates, inset dates and contact details available at the click of a button
- ❖ Your child’s school report

You will be able to: -

- ❖ Receive notifications to remind you about important information such as key dates for your diary
- ❖ Update your contact details, so we always have the most up-to-date information in case of emergency
- ❖ Access information for all your children, from the same app, if you have more than one child in the school

The information that you receive through the app will help you to stay up-to-date with your child’s school life as well as support your child’s development and progress.

**Getting started with the SIMS Parent app**
