

Etone College

Etone College E-Safety Policy

Date: May 2020
Review Date: May 2021

1. INTRODUCTION

1.1 What is e-safety?

Etone College believes that the use of information and communication technology in school brings great benefits. This policy aims to recognise e-safety issues and will help to ensure the appropriate, effective and safer use of electronic communications for all pupils and staff.

1.2 We are aware that in today's society children, young people and adults interact with technologies such as; mobile devices (including phones, tablets, wearable technology e.g. smart watches), games consoles and the Internet on a daily basis and experience a wide range of opportunities, attitudes and situations. The exchange of ideas, social interaction and learning opportunities involved can be greatly beneficial to all, but can also place children in danger.

1.3 This e-safety policy covers issues relating to children and young people as well as adults and their safe use of the Internet, mobile phones and other electronic communication technologies, **both in and out of school.**

2. Aims

- To safeguard children, young people and staff.
- To be able to identify the risks associated with social networking.
- To identify roles and responsibilities and recognise that e-safety is part of the 'duty of care' which applies to everyone working with children.
- To educate and empower children so that they possess the necessary skills to make safe and responsible decisions and to feel confident to report any concerns they may have.
- To raise awareness of the importance of e-safety amongst all staff so they are able to educate and protect children in their care.
- To inform staff how to manage their own professional reputation online and demonstrate appropriate online behaviours compatible with their role.
- To provide opportunities for parents/carers to develop their knowledge of e-safety.
- **To ensure awareness amongst all members of Etone College that 'online actions can have offline consequences'.**

3. ACCEPTABLE USE POLICIES (Pupils, Staff and 6th Form)

3.1 Important information

Breaches of an acceptable use policy can lead to civil, disciplinary and criminal action been taken against staff, pupils and members of the wider school community.

3.2 All pupils, students, trainees and staff will be expected to read our ICT Acceptable Use Policies and sign the appropriate consent documentation before an account is created.

3.3 Parents/carers of pupils in Key Stage 3, 4 and 5 will also be asked to read and sign an ICT acceptable use policy before their child's account is created. We would also ask that parents/carers discuss the ICT acceptable use agreement with their child, where appropriate.

3.4 Further staff guidance for personal use and social networking will be discussed as part of staff induction and safe and acceptable professional behaviour will be outlined in the Staff Acceptable Use policy. (Please also see **Appendix A -Staff Guidance for Participating in Social Networking**)

3.5 Etone College will ensure that:

- The e-safety policy will be reviewed annually.
- A member of the Leadership team has responsibility for e-safety in school.
- The school appoints a member of the Governing Body to take lead responsibility for e-safety.
- A member of school staff will be accredited with CEOP (Child Exploitation and Online Protection) training.
- All members of the school community will be informed about the procedure for reporting e-safety concerns (such as breaches of filtering, Cyberbullying, illegal content).
- The Designated Safeguarding Lead will be informed of any e-safety incidents involving Safeguarding concerns, which will then be acted on appropriately.
- The school will manage e-safety incidents in accordance with the school's behaviour policy where appropriate.
- The school will inform parents/carers of any incidents of concern as and when required.
- Where there is a cause for concern or fear that illegal activity has taken place or is taking place, then the school will contact the Children's Safeguarding Team for advice and/or escalate the concern to the Police.
- The Police will be contacted if a criminal offence is suspected.
- Any complaint about staff misuse must be directly reported to the Headteacher.
- We work in partnership with Parents/Carers and pupils to resolve issues.
- Any issues (including sanctions) will be dealt with according to the school's disciplinary,

behaviour and Safeguarding procedures.

- All members of the school community will be reminded about safe and appropriate behaviour online and the importance of **not** posting any content, comments, images or videos online **which cause harm, distress or offence to any other members of the school community.**

4. CYBERBULLYING

4.1 Cyberbullying can be defined as *“using the internet, email, online games or any digital technology to threaten, tease, upset or humiliate someone else”* (Childline.org.uk , 2018)

4.2 Many children, young people and adults find that using the Internet and mobile phones is a positive and creative part of their everyday life. Unfortunately, technologies can also be used negatively and we have a duty to safeguard all pupils and staff.

4.3 When children are the target of bullying via mobile phones, gaming or the Internet, they can often feel very alone. This can be harmful, threatening and a great source of anxiety.

4.4 Where bullying outside school (such as online or via text message/voicemail) is reported to school, it will be investigated and acted on.

4.5 Etone College will ensure that:

- Cyberbullying (along with all other forms of bullying) of any member of the school will NOT be tolerated. Full details are set out in the school's behaviour and anti-bullying policy.
- There are clear procedures in place to support anyone in the school community affected by Cyberbullying.
- There are clear procedures in place to investigate incidents or allegations of Cyberbullying (see Anti-Bullying Policy).

5. MOBILE DEVICE POLICY

5.1 Etone College is a **NO MOBILE PHONE SITE** for Years 7-11. This also includes any other mobile or electronic devices such as tablets, smart watches and digital cameras.

5.2 Members of the Sixth Form are permitted to carry mobile phones on their person however, no Sixth Form student is allowed to have their mobile phone on show in the presence of younger pupils. Our procedures, should a pupil bring their mobile phone into school, are clearly outlined in our letter to parents which can be accessed on the school website (**Appendix C**).

5.3 Please also refer to our Mobile Phone Procedure flow chart (**Appendix D**).

- Mobile Phones, or any other mobile devices with integrated cameras could lead to Safeguarding/Child Protection, bullying and data protection issues with regard to inappropriate capture or distribution of images of pupils or staff.
- Mobile phone use can render pupils or staff subject to Cyberbullying.

- Internet access on mobile devices using cellular data cannot be filtered by the school.
- They can undermine classroom discipline.

6. ROLES AND RESPONSIBILITIES

Pupils and Staff MUST:

- Immediately report to the **Designated Safeguarding Lead** if they receive offensive or abusive emails, text messages or posts on social networking sites.
- Immediately report to the **Designated Safeguarding Lead** if they have information that another member of the school community has experienced any of the above.
- **Not** reveal personal details of themselves or others which may identify them and/ or their location.
- Set passwords to their accounts in and out of school.
- Deny access to unknown individuals and block unwanted communications on social network sites.
- **Not** publish specific and detailed private thoughts, especially those that may be considered threatening, hurtful or defamatory.
- Follow Etone College 'Top Tips for e-safety'.

7. COMMUNICATING E-SAFETY

- E-safety information leaflet for pupils, parents and carers is available on the school website (**Appendix E**).
- Providing 'cyberbullying' government guidance for parents on the school website.
- E-safety posters with pupils' '*Top Tips*' for keeping safe when using the Internet will be displayed in all Form Tutor rooms, ICT rooms, Heads of House offices, Leadership offices and on the e-safety display board and television screens (**Appendix F**).
- An e-safety training programme will be established across the school to raise the awareness and importance of safe and responsible Internet use amongst pupils.
- Regular training (CPD-Continuing Professional Development) will be provided for all staff by raising awareness of technological and social issues related to e-safety.

- An e-safety module will be delivered through 'Learning for Life' covering both safe school and home use.
- The e-safety policy will be formally provided to, and discussed with, all members of staff and displayed on our school website.
- To protect all pupils and staff, the school will implement acceptable use policies.
- Parents/**carers** attention will be drawn to the school e-safety policy, e-safety leaflet and e-safety awareness video in newsletters, the school prospectus and on the school website.
- A partnership approach to e-safety at home and at school with parents will be encouraged by offering parental e-safety sessions in partnership with relevant external agencies.
- Parents/carers of pupils in Key stages 3 and 4 will be requested to sign an ICT acceptable use policy before their child has an account created in school.
- Subject staff are encouraged to discuss / advise / take the opportunity to give e-safety reminders when using ICT in lessons.

Staff Guidance for Participating in Social Networking

Whilst the usefulness of social networks (including, but not exclusive to, **Instagram**, **Snapchat**, Facebook, Twitter, YouTube, etc) is not disputed, Etone College staff choosing to use them must do all they can to protect their reputations and the reputation of the school.

As stated in Teachers' Standards (DFE, 2012) "A teacher is expected to demonstrate consistently high standards of personal and professional conduct. [Teachers must] uphold public trust in the profession and maintain high standards of ethics and behaviour, within and **outside school**".

Protect yourself

To ensure that all staff and trainee staff protect their reputations and their privacy you must:

- Not befriend pupils on social networking sites.
- Not access social network sites in school time.
- Not post information or personal views about Etone College, its staff, pupils or parents.
- Think carefully how you present yourself when posting images, joining a group or 'liking' pages as these choices say something about you.
- Choose your friends carefully, not accepting friend requests from pupils or parents.
- Control who can see your information (for example, setting 'friends only' on Facebook and 'protecting my tweets' on Twitter).
- Be careful about comments you post on friends' walls because, if their profiles are not set to private, your comments will be visible to everyone.
- 'Untag' yourself from any inappropriate content posted by others, or ask the person who has posted the content to remove it.
- Keep passwords secret.
- Report any incident to the appropriate member of staff in a timely manner.
- Do not leave a computer or any other device logged in when you are away from your desk unless you have 'locked' it.
- Familiarise yourself with the privacy and security settings of the social media and apps you use and ensure that they are kept up to date.
- Use your school email address for school business and personal email address for your private life; do not mix the two. This includes file sharing sites, for example Dropbox and YouTube.

Remember that anything you post online is potentially public and permanent.

General Rule

Social networks and their associated terminology ('wall', 'tag', etc) are constantly changing and situations may arise which this guidance does not cover. Therefore, a general rule to follow is to avoid compromising your professional position by always presenting yourself online to colleagues, pupils, parents and members of the community in the same way you would present yourself in person.

APPENDIX B

Getting offensive content taken down

If online content is offensive or inappropriate, and the person or people responsible are known, you need to ensure that they understand why the material is unacceptable or offensive and request they remove it.

Most social networks have reporting mechanisms in place to report content which breaches their terms. If the person responsible has not been identified, or does not respond to requests to take down the material, the staff member should use the tools on the social networking site directly to make a report.

Some service providers will not accept complaints lodged by a third party. In cases of mobile phone abuse, where the person being bullied is receiving malicious calls and messages, the account holder will need to contact the provider directly.

Before you contact a service provider, it is important to be clear about where the content is; for example by taking a screen shot of the material that includes the web address. If you are requesting that they take down material that is not illegal, be clear to point out how it breaks the site's terms and conditions. Where material is suspected of being illegal, you should contact the police directly.

Contact details for social networking sites

The UK Safer Internet Centre works with the social networking sites to disseminate their safety and reporting tools.

Our Ref: IS/AH/MobilePhones

12th February 2016

Dear Parent/Carer

As you are aware Etone College is a **NO MOBILE PHONE SITE** for Years 7, 8,9,10 and 11 pupils.

I want to take this opportunity to remind you of the procedure that pupils have had reinforced this week and one that we will be following closely if your child chooses to break this school rule and bring a mobile phone onto site as of **20th February 2016**.

Whilst I recognise that you may want your child to carry a mobile phone, if it is seen or heard, before, during or after school, it will be confiscated immediately and will be stored in the school safe. On the first, and should there be a second confiscation, pupils are allowed to collect their phone from Mrs Emery's office at 3pm. If your child's phone is confiscated for a 3rd time within the academic year, you, as Parent/Carer will be asked to collect it from the main reception.

In the event that we have reason to believe your child's phone does contain images of an inappropriate content, the phone will be confiscated and a member of the Leadership team will meet with you for the phone to be checked in your presence. Should any images be found, they must be deleted in this meeting.

During a most recent incident, not at Etone College, several pupils were found with images of other school pupils on their phones and the phones contained photographs/videos that had been taken on a school site. If we are to keep your child safe, it is **ESSENTIAL** that no other pupil is allowed to have images of your child in their possession, without your consent. I would urge you to read an article printed in the Times Educational Supplement on Friday 5th October 2012. This article can be viewed at <http://www.tes.co.uk/article.aspx?storycode=629401>

My staff may also be conducting checks to ensure that all pupils are following this most important rule in order to ensure that your child is as safe as possible.

As part of the Matrix Academy Trust, we would advise you to ensure that you know all pass codes for your child's mobile devices and that you are checking this at home on a regular basis. This is deemed to be best practice in terms of keeping children safe as it will enable you to monitor him/her for age inappropriate content and also to monitor the communication your child may be having with others, including any potentially 'risky' adults.

I would ask that you reinforce with your child the need to leave such devices at home and not be brought onto Etone College site and that if they choose to break this rule, you and your child are clear about our procedure.

Should you need to contact your child during the school day, please contact Reception who will be able to direct you to your child's house office.

I thank you again for your continued support in this most important safeguarding matter.

Yours sincerely,

Mr I Smith
Headteacher

APPENDIX C

ETONE COLLEGE

Leicester Road

Nuneaton

CV11 6AA

024 7675 7300

www.etonecollege.co.uk

postbox@etonecollege.co.uk

12th December 2016

Dear Parent/Carer

I would like to take this opportunity to remind you of our uniform policy which was reviewed at the start of this academic year.

Pupils have been reminded of our simple expectations in this final week of term and we will be ensuring that they meet these on our return in January. Please ensure that you are clear with regards to our uniform policy and that your child is ready and fully prepared for the rest of the year. **Where pupils do not comply with expectations outlined in our policy, parents/carers will be contacted and/or pupils sent home to address any inconsistencies.**

All pupils in Key Stages 3 and 4 are required to wear full school uniform, consisting of:

Black blazer with school badge

White shirt

House tie (showing minimum of 6 stripes)

Black **knee** length skirt/Black school trousers (**not tapered or 'skinny'**)

Black school shoes (**no trainers or canvas shoes**)

A plain black/navy school coat. Tracksuit tops or 'hoodies' are not permitted and will be confiscated if pupils wear them.

Key stage 3 pupils are not allowed to wear any make-up. Key stage 4 pupils may wear discreet make-up. If staff deem make-up to be unsuitable, they will send pupils to house office for it to be removed.

Jewellery is also minimal – a pair of plain gold or silver studs in the lower lobe is permitted and one watch. No rings or bracelets (including fashion bands) are allowed.

Should pupils fail to meet the simple expectations of our uniform policy, items will be confiscated and any valuables will be stored in the school safe until the end of the day. Should your child have items removed for the third occasion, you will be asked to collect them from school reception. **The same applies with regards to mobile phones.**

Thank you for your support in advance.

Yours faithfully

Mr I Smith

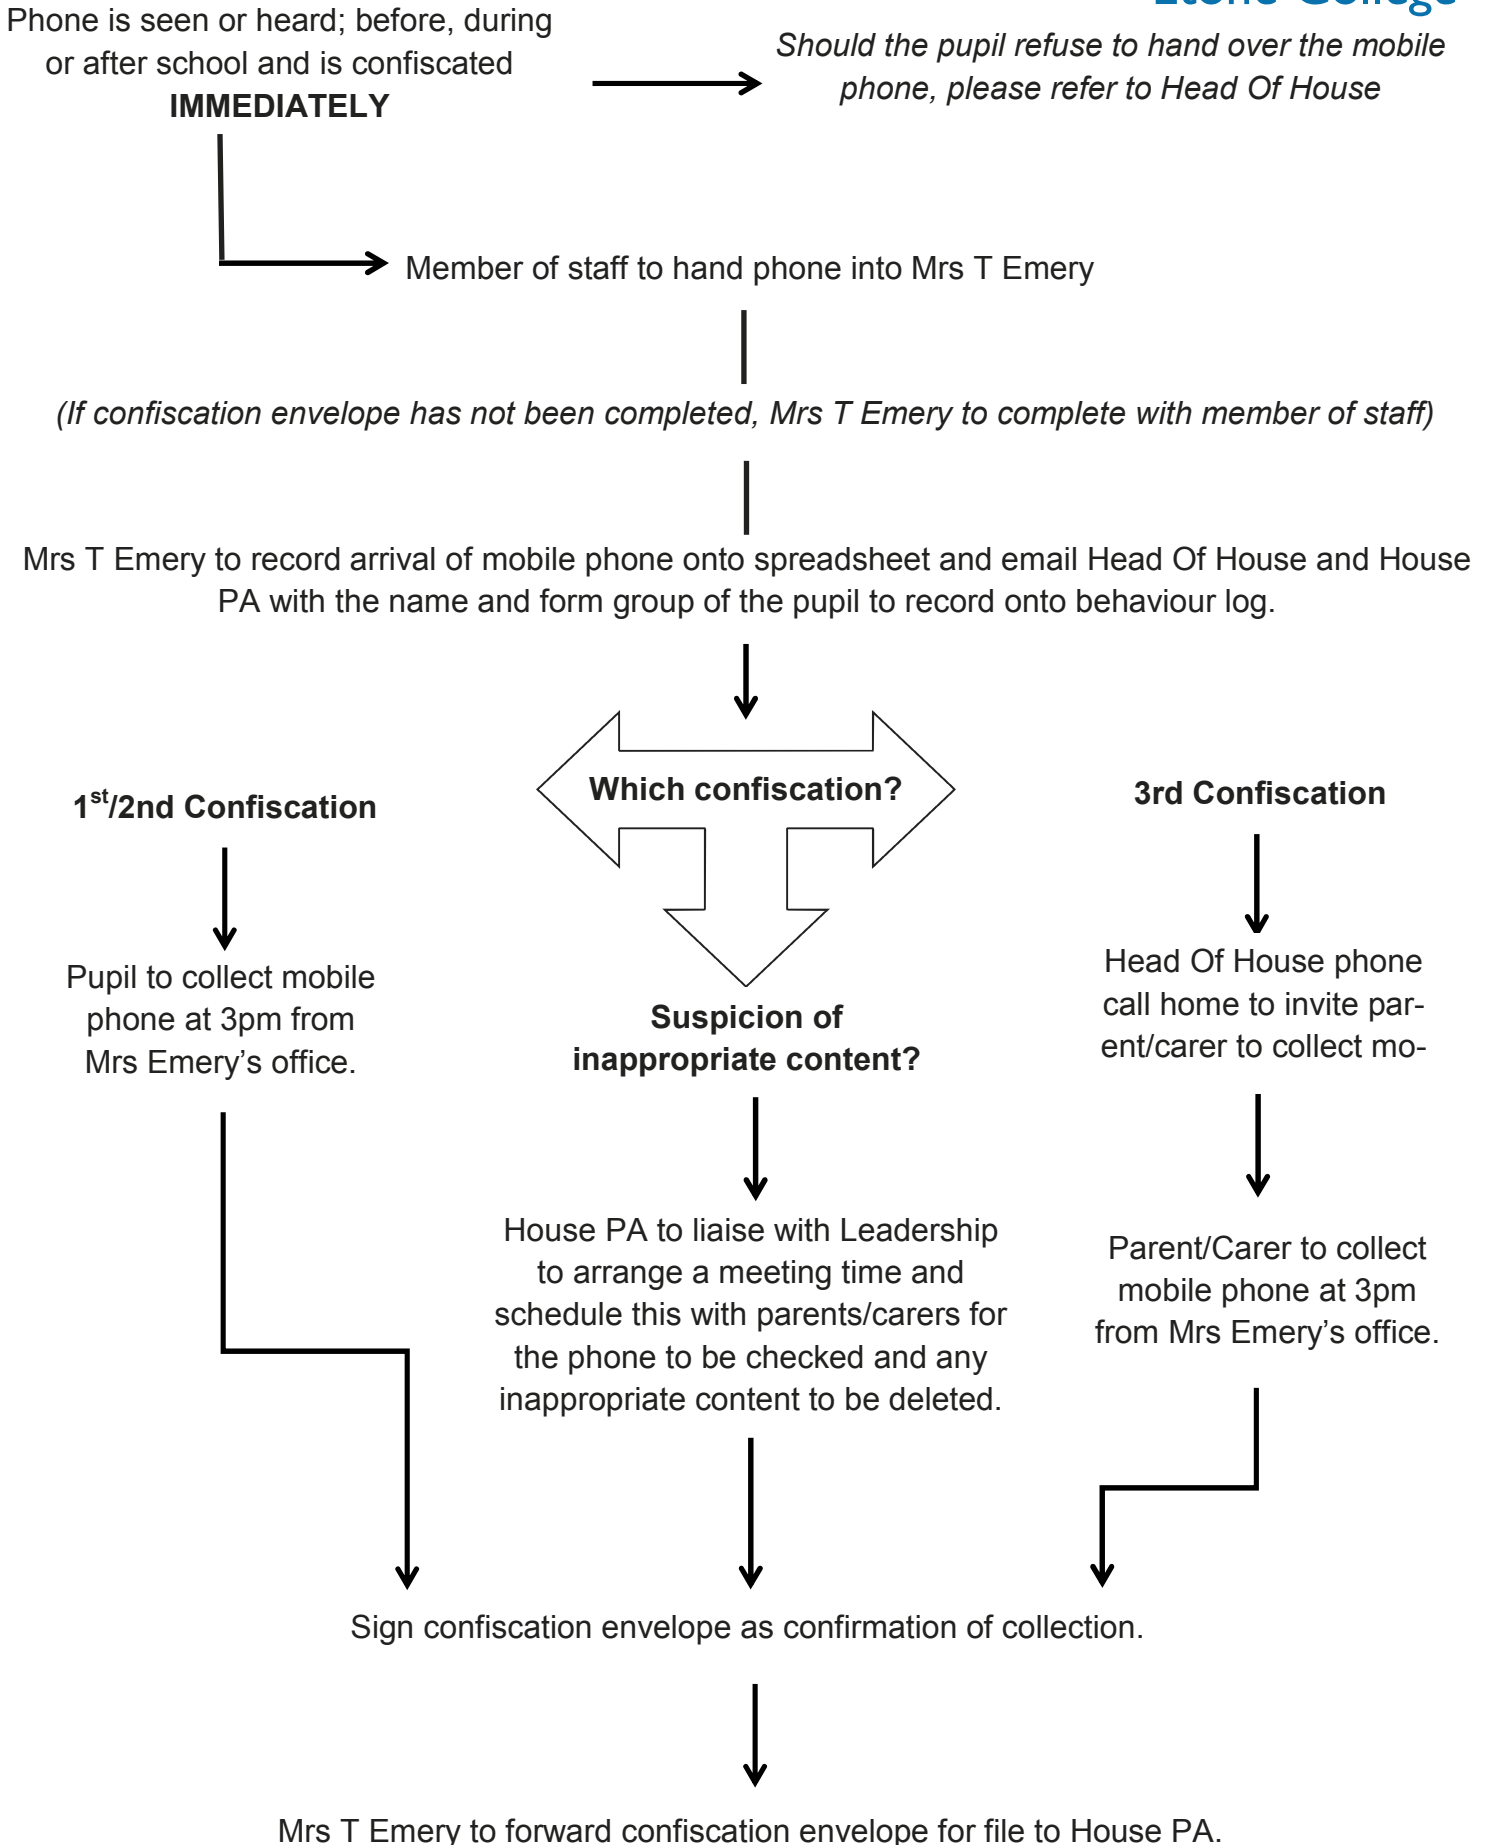

Headteacher

APPENDIX D

Confiscation of Mobile Phone Procedure

Etone College

RECOMMENDED RULES FOR USING THE INTERNET AT HOME:

- ◆ Use a pupil friendly search engine and websites that are recommended by teaching staff
- ◆ Only speak to people you actually know online
- ◆ Know how to report abuse and block those unwanted users
- ◆ Only use a webcam with people you know
- ◆ Report concerns to the Child Exploitation & Online Protection Centre (CEOP)
- ◆ Be aware of comments that are being made and can be viewed by others
- ◆ Tell an adult that you trust IMMEDIATELY if you feel unsafe online

THESE ARE YOUR TOP TIPS TO KEEP US ALL SAFE ON THE INTERNET:

- ◆ Don't add people you don't know on social networking sites. You wouldn't talk to a stranger in the street, so why talk to them online!
- ◆ Don't upload photographs of yourself that are inappropriate or give information away about yourself. You don't know how these images will be used by others!
- ◆ Don't give away your personal details on the internet. You don't know who can access this information

RECOMMENDED WEBSITES FOR FURTHER INFORMATION

www.ceop.gov.uk
www.thinkuknow.co.uk

HOW YOUR CHILD USES ICT AT ETONE COLLEGE

ICT is taught as an individual subject, but is also used in several lessons across our curriculum. Within lessons, pupils use a wide range of ICT including:

Word processing (Word) to write essays, news articles or letters

Databases (Access) to record information

Spreadsheets (Excel) to create tables, charts and graphs

Desktop Publishing (Publisher) to design posters, leaflets and cards

Multimedia Presentation (PowerPoint or Movie Maker) to present text, pictures and video

Drawing Programmes (Paint, Photoshop, CAD - Computer Aided Design, Google Sketch-Up) to create pictures and design products.

Mathematics Online Programmes (MyMaths, www.mymaths.co.uk; MathsWatch, www.mathswatchvle.com; Justmaths, www.online.justmaths.co.uk) to access online interactive mathematic learning resources.

Internet (Explorer) to research for project work

E-Mail (Outlook) to contact friends and email work to teachers

Video Conferencing (Skype) to share ideas or ask an expert

Digital Cameras to record classwork, coursework or research from a trip

Music Software (Sibelius & Garageband) to create compositions

OUR MOBILE PHONE POLICY

Etone College is a **NO MOBILE PHONE SITE**.

If a pupil has a mobile phone visible, it will be confiscated and returned at the end of the day. Should it be confiscated on more than three occasions, parents/carers are asked to collect.

It is vital that no pupil is allowed to have images of your child, in their possession, without your consent.

We would recommend that you know all the passwords for your child's mobile phone and check this regularly.

e-Safety Information

For Pupils,
Parents & Carers

WHY IS E-SAFETY IMPORTANT?

Young people today are increasingly using ICT in school and at home. At Etone College, it is within our duty of care for our pupils to ensure that we inform parents and carers of the following:

- ◆ How pupils use ICT in school
- ◆ How using ICT at home helps pupils to learn
- ◆ How the internet can be used safely at home
- ◆ Where to find out more information of how to be safe online

ETONE COLLEGE | www.etonecollege.co.uk

HOW YOU CAN HELP YOUR CHILD AT HOME

ICT is not just about using a computer - it is the use of a mobile phone, digital camera, MP3 player or DVD player. Pupils can develop their ICT skill further at home by:

- ◆ Writing a letter or email to a relative
- ◆ Creating digital artwork or pictures
- ◆ Using the internet to research a project
- ◆ Using recommended websites to enhance learning e.g. BBC Bitesize

BENEFITS OF USING ICT AT HOME

There are several advantages of having a computer and internet access at home. Some of these are:

- ◆ ICT can help pupils attainment
- ◆ Skills are developed for life
- ◆ Developing enjoyment of using ICT
- ◆ Able to access a wider range of learning materials
- ◆ Supports homework and revision
- ◆ Improves presentation of their work

USING THE INTERNET SAFELY AT HOME

Whilst we encourage the use of ICT for pupils to learn and access a wide range of material, it is within our duty of care to advise parents and carers to carefully monitor your child's use of the internet. Despite many internet service providers offering filtering systems and tools to help safeguard your child, it is still surprisingly easy to access inappropriate material including text, pictures and films.

We would recommend that your computer is in a family area if possible and not in a bedroom. Also please remember that many mobile phones, games consoles and electronic readers do allow access to the internet.

ETONE COLLEGE'S TOP TIPS: e-safety

After your e-safety training these are **YOUR** top tips to keep us all safe when using the internet:

Don't add people that you don't know on social networking sites. You wouldn't talk to a stranger in the street, so why talk to them online?

Don't upload photographs of yourself that are inappropriate or give information away about yourself. You don't know how these images will be used by others!

Don't give away your personal details on the internet. You don't know who can access this information!

If you feel unsafe online, tell a parent, carer or teacher and click the report abuse button on the school website

www.etonecollege.co.uk
