## ***Christmas Charity***

Doorway is a charity that helps homeless people. We've decided that are not as fortunate should feel special during Christmas. We as a college community want to bring happiness and joy and don't want anyone to feel left out. How else can you help? The charity is in need of any dishes & cutlery, pots & pans, cleaning items, bed linens and towels, food and clothing. This is to improve the quality of their everyday life.

## ***Upcoming Themes of the Week***

**30th Nov:** Dealing with Peer Pressure

**7th Dec:** Careers and Employability

**14th Dec:** Relationships

## ***Head of Sixth Form Message***

Hi everyone! What a start to the academic year it has been! With the ongoing presence of COVID-19 and the change to routines, this term has been a challenge for everyone! Thank you all for continuing to keep everyone safe by wearing a mask in and around the study areas. Despite the challenges, we are incredibly proud of the resilience and commitment you are all showing to your studies. Year 12 have made an excellent and promising start to their courses and Year 13 have shown a sense of commitment to overcome the challenges of lockdown. Keep up the momentum in the coming weeks and months and try to focus on your end goal or career aspiration. There are some important milestones coming up with the first round of mock exams in December. Remember to plan out your non-contact periods and use them productively to revisit content. A revision timetable often helps! We wish you the best of luck in your mocks! Miss Russell and Mr Petch

## ***Employability skill of the month***

This month's employability skill is TEAMWORK. Teamwork is very important because it's promoting strong working relationships and organisation.

On Careers Day Etone elect members have demonstrated teamwork by dividing into 4 groups of three and have delivered Microsoft Teams sessions to Year 11!
