Dear Parent/Carer

As part of the Geography department's ongoing commitment to improving GCSE grades, we are writing to give you the opportunity to purchase a revision guide at a discounted price.

Whilst the revision guide is not essential, it does support the text books we use in school. It is suitable for all pupils and contains exam practice questions as well as revision support. As a school we are able to offer the revision guide at a cost of £5.00 each.

As this letter was also issued prior to Christmas, if you have already placed an order via Wisepay, there is no requirement to order again and those pupils will be issued with guides in due course.

If your child is entitled to pupil premium, they will be issued with a revision guide free of charge so there is no need to place an order.

Should you wish to purchase a revision guide, please pay £5.00 via your child's Wisepay account and complete and return the reply slip below, along with your receipt, to main school reception by Friday 4th March.

Thank you for your continued support.

Yours sincerely

Mr I Smith
