

Career Planning September 2019 –July 2020

Careers Lead: Mrs L. Barlow, 02476 757300, careers@etonecollege.co.uk

Careers Week Theme 2020: 'LMI for you: How your current studies are preparing you for jobs of the future and employability skills

All pupils will attend the **Careers Fair** on Thursday 20th March 2020. Additional events will take place throughout the year to engage pupils with a range of training, apprenticeship, career and university providers. Such events will include **careers talks, mock interviews, guidance sessions, enterprise workshops** and **visits to/from employers**. A detailed database with all pupils' **career aspirations** allows us to carefully target our invites but most are open to all who choose to sign up.

Specially created **Learning for Life Careers Lessons**, spread strategically through the academic calendar, will take place, but careers advice will be **embedded into lessons** to help pupils link their learning to the world of work.

From January 2020, a new **Alumni Network** will be launched, fostering greater links with our former pupils to bring about new opportunities for our pupils (such as mentoring), enrich the delivery of our careers programme and allow us to proudly showcase the many wonderful achievements of our former pupils.

Etone College will measure and assess the impact of its own careers programme using the **Gatsby Benchmarks** and the **Compass and Tracker tool**, as well as using our own internal evaluations, including the opinions of providers, pupils, staff and parents.

Year 7	Year 8	Year 9	Year 10	Year 11	Sixth Form
