31st March 2020

Dear Parents/Carers

Thank you for all of the positive comments we have received about learning materials we have been providing online or via post (pre-arranged for those without internet access), as well as the teacher support offered through email. This will be continuing during term time, Monday to Friday, until the Government tell us it is safe for schools to re-open.

During this difficult time we have remained open for pupils of critical workers who needed our provision and have ensured that all of those entitled to free school meals, have been provided for via vouchers ahead of the Government voucher scheme.

During the Easter break, however, Etone College will be closed to all pupils. In line with Government and Teaching Union advice, teachers will only set homework style/research activities for pupils to complete, rather than the regular learning resources/tasks teachers have been setting in line with timetabled lessons.

There is no expectation that staff will respond to emails during the Easter break (3.00pm Friday 3rd April to 9.00am Monday 20th April). Please tell your child/ren not to contact their teachers during this time. If there are any questions, please save them for after the Easter break.

Thank you, as always, for your continued support.

Yours sincerely

Mr I Smith
Headteacher
