Dear Parent/Carer

As part of our widening provision to pupils, we will now be offering, **from Wednesday 24<sup>th</sup> June 2020**, live online lessons via Microsoft Teams as per the schedule below. These will be lead lessons that are designed to further help your child with their home learning.

Please find overleaf, a schedule of live TEAMS lessons. These have been scheduled at the same time as one of your child's timetabled lessons. Pupils will receive an email invitation to the lesson from their relevant classroom teacher.

**On the home page of our website, there is a link 'Using Teams for Online Lessons'.** Within that link are full instructions for your child to access live lessons via TEAMS. **Please make sure your child reads these carefully before the days of the lessons as we will not have time to sort technical issues on the days themselves.**

**All sessions will be recorded by the teacher for everyone's safety** and will continue until the end of term unless you are informed otherwise. A register of attendance will be taken for all live lessons.

Any unacceptable behaviour online will lead to a student being removed from the session followed by a phone call home and sanctions. The Headteacher's decision on these matters is final.

Many thanks once again for all of your continued support.

Yours faithfully

**Mr I Smith**  
**Headteacher**
