Dear Parent/Carer

**Belgium residential trip**

It has become apparent that it is no longer viable to run the trip to Belgium due to the current continuing Coronavirus situation and the issues surrounding foreign travel. The trip has therefore been cancelled.

An insurance claim has been made on behalf of the school and all parents/carers will be fully refunded. All refunds will be made directly via the bank card used to make the payments via Wisepay so there is no requirement for parents/carers to do anything. Should any payments not be processed due to the expiry of a bank card, a BACS form will be issued to you.

Please note that it can take up to 14 days for payments to be received into your bank account.

May I take this opportunity to thank you for your patience during what has been a very difficult time for us all. Whilst some pupils will be disappointed that this trip has been cancelled, I am sure you will appreciate that the safety of our pupils and staff is paramount.

Yours faithfully

**Mr I Smith**
