

5th July 2021

Dear Year 9 Parent/Carer

We are delighted to inform you that during the weeks of **12th – 21st July 2021**, Key Stage 3 pupils at Etone College are taking part in an enrichment programme. The content of the programme is closely linked to our personal development curriculum and careers programme and will enable pupils to develop key employability skills.

During this time, pupils will have opportunities to take part in activities including team building with the Army, working with a local construction company (Willmott Dixon), visits from universities and employers as well as various Science, Technology, Engineering and Mathematics (STEM) activities.

Pupils should arrive in full school uniform for 8.50am as normal. On Wednesday 14th, Thursday 15th and Friday 16th July, pupils will be required to attend school wearing their PE kit. Expectations and all other aspects of the school day will remain unchanged.

As you are already aware, the vast majority of our Year 9 pupils are attending a work experience placement in the last three days of term from Monday 19th to Wednesday 21st July. Many thanks for your support with this in advance.

Pupils will be issued with a work experience diary in advance for completion during their placement.

If you have any queries regarding the programme, please email postbox@etonecollege.co.uk or contact Mrs L Barlow in school.

Yours faithfully

Mr I Smith
Headteacher
