16th September 2021

Dear Parents/Carers

In line with Government guidance, schools have been instructed to have a planned recovery curriculum to close the gaps that may have been created and/or increased during school closure.

From **Monday 20th September**, we will be running sessions, before and after school, across a range of additional subjects as follows:

Day	Session	Time	Subject
Monday	After school	3.00pm-4.00pm	Science German Art & Photography
Tuesday	After school	3.00pm-4.00pm	English French
Wednesday	Breakfast	8.30am-9.10am Fortnightly	Psychology
Thursday	Breakfast	8.30am-9.10am	Geography History
Thursday	After school	3.00pm-4.00pm	Mathematics Technology Child Development
Friday	After school	3.00pm-4.00pm	Geography History

These sessions are aimed at pupils who require the most targeted support. Those pupils invited to attend will be issued with a new timetable detailing the period 6 lesson/s. If your child's timetable does not include any period 6 lessons but they wish to attend as above, they are also welcome to come along.

For pupils below target, these sessions are compulsory and it is essential that your child attends. Text reminders will be sent to those pupils.

The list of pupils will be monitored and updated regularly.

Formal mock examinations will be taking place for all Year 11 pupils week beginning 29th November and 6th December.

Progress evening for parents/carers will also be held in November and further information will be shared regarding this in due course.

Thank you for your continued support.

Yours faithfully

Mr I Smith
Headteacher
