

18th October 2021

Dear Parent/Carer

On Friday 22nd October 2021, pupils at Etone College are taking part in an enrichment timetable which forms part of our statutory RSHE curriculum and careers programme.

Many exciting and informative experiences such as team building with the RAF, Fire Service, universities, STEM activities and visits from employers will take place. We also have a university experience trip on this day and 'take your child to work experience day' for Year 9 pupils. All of the activities are themed around careers and/or cover the RSHE curriculum.

This is a normal school day and pupils should arrive in uniform for 8.50am. The sessions will be delivered in form groups and our usual high standards and expectations of behaviour will apply.

An overview of the planned activities can be found below and a copy of our school RSHE policy can be found on our website. Please note that in Year 7, pupils will be looking at puberty and the changing adolescent body.

Year group	Activities
Year 7	Science, Technology, Engineering, Maths (STEM), NHS, Mental Health, Marriott Hotel Group, Coventry University, Families in Crisis, Personal Hygiene/Puberty, Food Technology
Year 8	STEM, Combined Cadet Force, NHS, Mental Health, Severn Trent, and Coventry University.
Year 9	Take your child to Work Experience (programme to be confirmed for pupils remaining in school) All pupils will need to bring their PE Kit
Year 10	Albany Theatre Group, Warwickshire College Group, North Warwickshire South Leicestershire College, Hope not Hate (Language against Hate crime), CV writing, ASK apprenticeships and Football Academy All pupils will need to bring their PE Kit
Year 11	University Trip, Warwickshire College Group, North Warwickshire South Leicestershire College, Hope not Hate, CV writing, ASK apprenticeships, Football Academy, RAF and Fire Service. All pupils will need to bring their PE Kit

Should you have any queries or concerns regarding the above, please contact Mrs Barlow in school.

Yours faithfully

Mr I Smith
Headteacher
