

## Etone College Summer School 2021

### **Model:**

Etone College's summer school ran from 9am- 3pm on Monday 9th August through to Friday 13th August 2021.

Invites were non-selective and all year 6 students attending Etone College in September 2021 were invited with parents opting in. 52 pupils chose to attend. Each pupil attended three daily sessions, each 1 hour and 45 minutes in length, covering a breadth of subjects and this included team building activities. They had a scheduled lunch slot of 30 mins between 12.45 and 1.15pm and a break from 11.15 – 11.30 am each day.

### **Subjects:**

Pupils attended sessions in:

- History
- Geography
- Physical education
- Numeracy
- Science
- Literacy
- ICT
- Team building with our CCF
- Food Technology

### **Aims of the Etone College summer school:**

1. Allow pupil to familiarize themselves with the school before starting in September
2. Support academic progress within subjects with pre-teaching of skills required in September.
3. Allow pupils to interact with students from other primary feeder schools to build friendships and build confidence for their first day in September.

## Etone College Summer School 2021

### Possible future development:

1. Distribution of PE sessions across the week
2. Plan a school tour in groups on day 1 so that students are more familiar with the entire building, including sixth form.
3. Consider changing groups during the week to encourage pupils to interact with more of their peers.

### Funding

Etone College received £8378.28 from the Department for Education. Below is a breakdown of how those funds were used.

Staffing (Teaching staff Admin staff First aider Cleaning staff Teaching Assistants)	Equipment (food technology, physical education, rewards)	Catering – provision of free school meals	General overheads and resources (electricity, gas, water, letters, communication and photocopying)
7019.30	400.79	88.59	869.60
