Welcome to Etone College

I truly believe that there has never been a better time to join Etone College. Our teachers are innovative, enthusiastic, committed and caring. They inspire the pupils of Etone College to be independent, inquisitive learners with aspirational goals. We set high expectations in all that we do and operate a “no excuses” culture.

In short, Etone College is a very special place where high expectations of pupils and staff underpin our traditional values. Children experience high quality teaching and we expect high standards of behaviour and attendance. Our ambition is to be outstanding in all that we do and to ensure that all pupils leave with employability skills and the opportunity to access higher/further education.

Mr I Smith, Head Teacher

“We offer caring pastoral guidance where pupils are well supported in and out of lessons. As a result, our “students say that they feel safe in the academy and are taught well about how to keep themselves safe”.

Heads of Houses

If you have any worries on a day to day basis, you'll be able to talk to your form tutor who will work with your Head of House to help you resolve them.

When you start at Etone you will be placed into a ‘house’. This will be like your family at school and your Head of House will keep an eye on all of your successes and any areas you might struggle with. They will contact home to discuss ways in which we can work together to ensure that you achieve your best.

Reception

Miss Wallis works in Reception and she is the first point of contact for anybody who visits Etone College. She will answer the phone when your parents/carers call in and pass on any messages. She will collect any letters or reply slips for trips.

The medical room is situated in Reception where any regular medication will be stored and medical treatment will be administered by a qualified first aider should you need it.

What will I learn in Year 7?

You will study a varied and exciting curriculum.

All pupils will learn:

- English
- Mathematics
- Science
- Geography
- History
- Modern Foreign Languages
- IT/Computer Science
- Technology
- PE
- Music
- Learning for Life
- Art

In addition to this, some pupils will have extra literacy and numeracy support.

What if I get lost?

Etone has a group of prefects in Year 11. These are senior pupils who will be able to help you out if you have a problem. You can recognise them all because they wear a black tie, which has the school badge on it.

You will have two prefects attached to your tutor group and they will act as your guide during induction day and on your first day at Etone in September.

During the Autumn term your form prefects will help you to settle in and remind you of where you need to go for your lessons. If you see any prefects around school they'll be able to offer you support, should you ever need help with anything.

How will I find my way around?

Many new pupils worry that they will get lost at secondary school. However, it is very easy to find your way around Etone, as each block has a different name. The different blocks are; the Creative Zone, the Inquire Zone, the Perform Zone and the Express Building.

Every classroom door has a letter and number on it, which tells you what block the room is in. For example, room E0-4 is located in the Express Building and room C0-2 is located in the Creative Zone.

If the door number starts with a '0' it is a ground floor room.

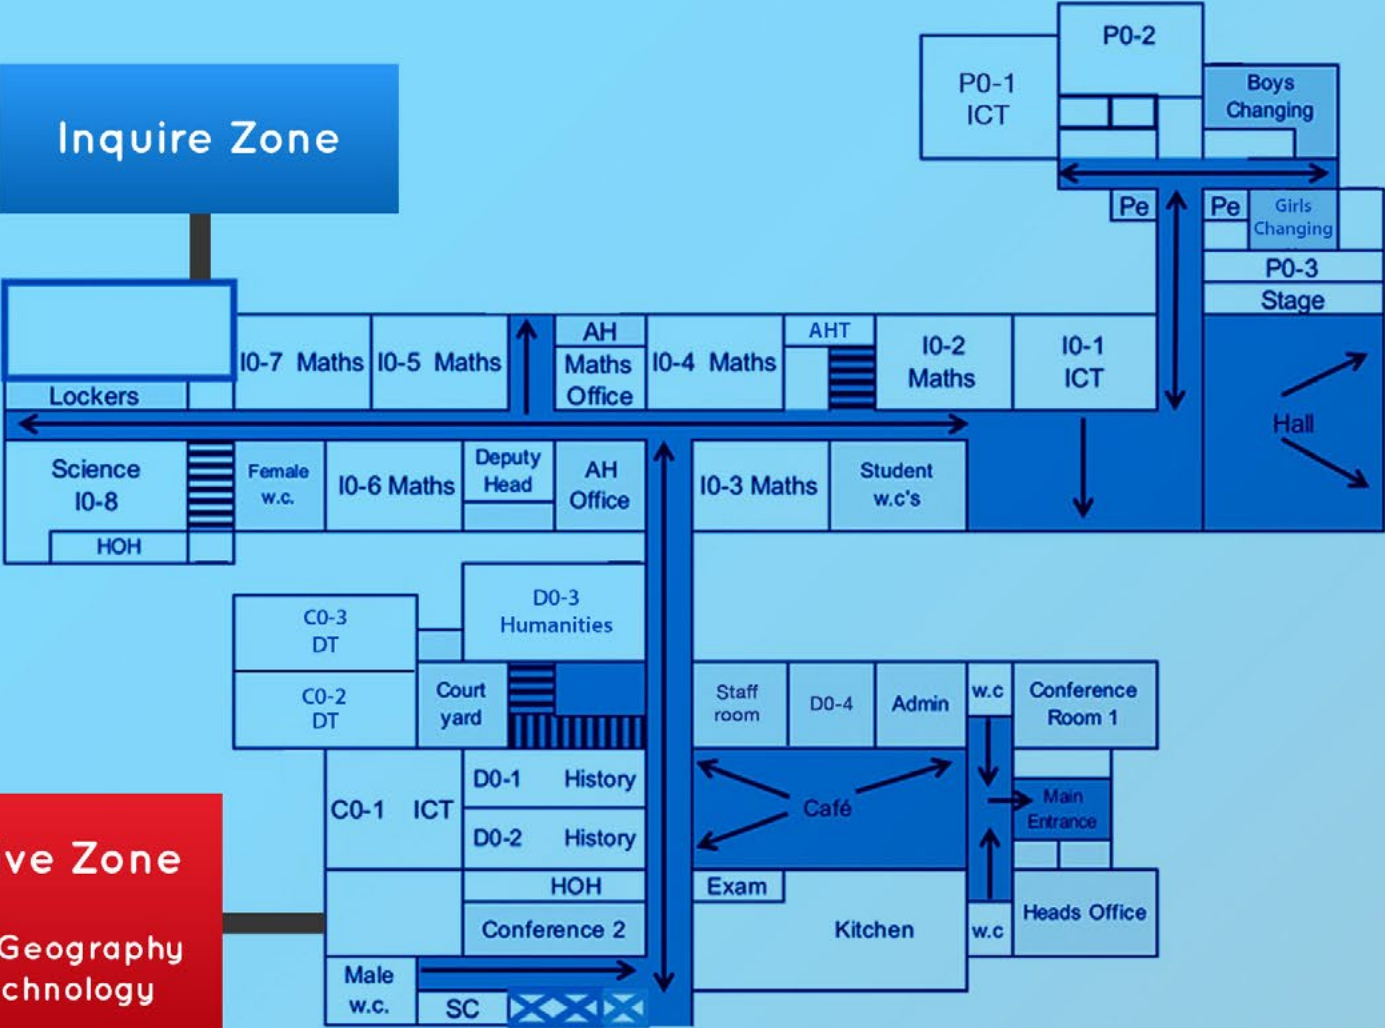

If the door number starts with a '1' it is a first floor room.

The final number on the label indicates what specific room it is.

Your individual timetables will show you which room you need to go to for each lesson and on your first day your form tutor will take you on a tour of the school so you know where to find each room.

How will I know where to go?

What happens at break?

At College you will have a 20 minute break in the morning from 11:10-11:30am. There is no afternoon break.

You may choose to bring a snack for break. Please note however, that we are a nut and kiwi fruit free school.

You will be allocated a zone for your break along with your year group. You can eat your own food in your allocated zone and use the bins to dispose of your rubbish.

If you want to read quietly or do some homework you can go to the library. The library is also open before school from 8:30am and at the end of the day until 4:30pm Monday to Thursday and 4:00pm every Friday.

What happens at lunch?

All of Year 7 have lunch at the same time so you will be able to see your friends. Hot and cold food is available ranging from a selection of sandwiches, jacket potatoes and main meals.

You will need money on your Wisepay account to purchase food from our Cafe.

Mobile Phones

Etone College is a **NO MOBILE PHONE SITE** for Years 7-11

This also includes any other mobile or electronic devices such as tablets and digital cameras. These devices can lead to safeguarding, child protection, bullying or data protection issues with regard to inappropriate capture or distribution of images of pupils and/or staff. We do not take any responsibility for electronic items brought onto school site.

Should a mobile phone/device be heard or seen, it will be confiscated for collection by the pupil at the end of the day. Should a mobile phone or device be confiscated three times, parents/carers will be contacted to arrange collection. Should this be repeated, the phone/device will be confiscated and kept securely for one week. Please support us in safeguarding our pupils.

Can I go to the toilet during lessons?

You can normally only go to the toilet at break and lunch. However, if you have a toilet pass for medical reasons you will be allowed to go during lesson time.

Can I ride my bike to school?

Yes - you can come to school on your bike.

We have a secure bike store at the front of school. You'll be able to lock your bike there on the way in to school and collect it at the end of the day. The gate is locked between 9.10am and 3.00pm.

School Times

You will have 5 lessons each day. You don't need to bring your books for every subject every day, you should use your timetable to see which books you need.

It's also a good idea to carry a plastic wallet/folder where you can keep all of your homework sheets to help ensure you have them with you ready for the due date.

8:45am - Arrival on site

8:50-9:10am - Morning Registration

This will include one assembly each week, DEAR (Drop Everything and Read), literacy and numeracy activities and tasks such as uniform/equipment checks and rewards.

9:10-10:10am - Lesson 1

10:10-11:10am - Lesson 2

11:10-11:30am - Break

11:30am-12:30pm - Lesson 3

12:30-2:00pm - Lesson 4

In the middle of Lesson 4, from 1:00-1:30pm, you will have your lunch break. Many pupils use this time to work together on homework, to chat or read a book.

2:00-3:00pm - Lesson 5

3:00-4:00pm - Extra-curricular Clubs & Catch Up

Etone offers a range of extra-curricular clubs. None of these will start in the first week of term, but from the second week you can join many clubs such as sporting clubs, choir, coding club, STEM club or you can just choose to work in the library and complete homework after school with your friends.

Home-School Agreement

We aim to provide a happy and safe environment in which all children and staff are encouraged to develop to their full potential.

To aid this we will ask all pupils, parents and carers to sign a Home-School agreement. This will be issued to your child on their first day in September.

Wisepay

Etone College is a cashless school.

We use a web payment provider for the payment of all trips, visits, dinner money for our cashless catering system and any other services the school offers.

Parents will be provided with login details to get into their child's wisepay accounts. You will be able to top your child's account up using the Wisepay mobile app. Parents are requested not to send large sums of money into school with pupils.
