RSHE is delivered through Learning for Life lessons, form time and assemblies as well as additional workshops sometimes led by external agencies. Our form time sessions also include literacy, numeracy and Drop Everything and Read. Parents have the right to withdraw from the non-statutory components of RSE (intimate and sexual relationships, including sexual health).

Our Careers curriculum is taught throughout every term for each key stage. Some of our RSHE content is delivered through cross curricular lessons and events via Science, Computing, PE and Food. All departments support Theme of the Week either through their curriculum, assemblies and/or events.
