Title	What can I expect from this text?	Front Cover
Art & Design ART	Artist, designer and entrepreneur, Ken Done has achieved what few others have. His signature style has graced ad campaigns and cars, magazine covers and duvet covers, public spaces and landmark cultural events, This book explores his passion for painting	
Child Development	<i>Why Love Matters</i> explains why loving relationships are essential to brain development in the early years, and how these early interactions can have lasting consequences for future emotional and physical health.	
Child Development	This book provides a straightforward introduction to child development. It also covers the methods and problems of research into children, and the application of new findings in practical life.	

Food & Catering	<p>Written with Stanley's signature wry humour and nostalgia, <i>Taste</i> is a heart warming read that will be irresistible for anyone who knows the power of a home-cooked meal.</p>	
Food & Catering	<p>At the tender age of 25, Jamie Oliver had become a TV star, written two best-selling books, and had begun to take America by storm. Stafford Hildred and Tim Ewbank have approached Jamie's friends, family and colleagues to produce this biography that aims to show just what makes him tick.</p>	
Design Technology	<p>One of the most prominent and prolific designers and architects of the late twentieth century, Michael Graves is best known for his popular product designs, including the world-famous Alessi whistling bird teakettle. This is an anecdote-rich human story, as well as a primer on the American architecture scene of the past sixty years, and a portrait of a man whose deep passion for his art brought pleasure to millions.</p>	

Design Technology	<p>How did a maverick English inventor manage to design, market and make money from his own invention, toppling market leaders in the process? This inspirational autobiography tells the remarkable story behind James Dyson</p>	
Photography	<p>With a rising number of women throughout the world picking up their cameras and capturing their surroundings, this book explores the work of 100 women and the experiences behind their greatest images. Traditionally a male-dominated field, street photography is increasingly becoming the domain of women.</p>	
Music	<p>Do you want to know how your favourite group got together and who is really the brains behind the band? Whether you're interested in what your favourite musicians like to do in their spare time, where they get the ideas for their music, or which artist had an exorcism in his home, you're in for a treat. This book will satisfy your curiosity and help you impress your friends with your rock and roll knowledge.</p>	
Music	<p>This book celebrates the band, its members, recordings and concerts through images and the written word, as well as through the unique pieces of memorabilia that are from the private collections of Queen's members.</p>
