

Academic Year September 2021 – July 2022

Dear Parent / Legal Guardian

ETONE COLLEGE SESSION DATE: YEAR 9 16/05/2022, YEAR 10 29/06/2022

**Please read the information below regarding 2nd dose HPV (Human Papilloma Virus) vaccine in school for all Year 9 students, and those Year 10 students who missed their 2nd HPV vaccine due to the pandemic.**

The immunisation and vaccination Service will soon be delivering the 2nd dose HPV (Human Papilloma Virus) vaccine in school. If you consented to this course of two vaccinations, your child would have received their 1<sup>st</sup> dose in year 8 or within the last 6 months and is now due to receive the 2<sup>nd</sup> dose.

If any of your child's circumstances have changed since you completed the consent form for example:

- They have developed a new medical condition or allergy,
- Are now taking newly prescribe medicine/s
- Received the vaccine elsewhere
- You now wish to withdraw your consent

It is **important that you contact** your child's Vaccination Team (details below) so that we can discuss this with you.

If your child has not started the HPV vaccine course and you have not received a link to complete an electronic consent form, please contact your child's Vaccination Team to arrange consent.

If you have any other queries, please contact your child's Vaccination team.
