

23rd September 2022

Dear Parents/Carers

In order that Year 11 pupils are fully prepared for their mock and summer exams, we are running extra sessions after school to boost their knowledge, skills and understanding across all subject areas.

From Monday 26th September, we will be running sessions, after school, across a range of additional subjects as follows:

Day	Session	Time	Subject
Monday	After school	3.15pm-4.15pm	Art Photography German Science
Tuesday	After school	3.15pm-4.15pm	IT German English
Thursday	After school	3.15pm-4.15pm	Child Development Enterprise French Mathematics
Friday	After school	3.15pm-4.15pm	Sport Geography History

All pupils are strongly encouraged to attend these extra sessions.

For pupils below target, these sessions are compulsory and it is essential that they attend. You will receive a text message to inform you if your child is below target in a particular subject and a period 6 lesson will show on their timetable. Once your child is on or above target, attendance at the session will become optional.

Progress evening for Year 11 parents/carers will be held on Thursday 10th November and further information will be shared regarding this in due course.

Formal mock examinations will be taking place for all Year 11 pupils week commencing 28th November and 5th December. Staff will provide further information in each subject area in due course.

Thank you for your continued support.

Yours faithfully

Mr I Smith
Headteacher
