As we approach the final few months before these exams, I would like to update you of the sessions we are now running. These extra sessions will run before and after school to boost their knowledge, skills and understanding across all subject areas.

From Monday 9th January, we will be running sessions, before and after school, across a range of additional subjects as follows:

Tuesday	Breakfast	8.30am – 9.15am	Geography History
Tuesday	After school	3.15pm-4.15pm	IT German English
Thursday	Breakfast	8.30am – 9.15am	Psychology
Thursday	After school	3.15pm-4.15pm	Enterprise Mathematics
Friday	After school	3.15pm-4.15pm	Sport Performing Arts Geography History

These sessions are compulsory and it is vital that your child attends to help maximise their potential.

You will receive a text message to remind you that your child has a session in a particular subject and a period 6 lesson will show on their timetable.

An additional mock examination series will be taking place for all Year 11 pupils week commencing 6th February and 13th February for core subjects only. Staff will provide further information in each subject area in due course.

Thank you for your continued support.

Yours faithfully
