Dear Parents/Carers

**Etone College**  
www.etonecollege.co.uk

We have been contacted by The AIM Group who deliver **Free online Level 2 accredited courses** to parents/carers to help better understand some key issues around young people's mental health and wellbeing, along with a range of other qualifications that may help with developing your own careers.

Here's some of the most popular subjects available:

- **Understanding Adverse Childhood Experiences (Most popular)**
- **Understanding Children and Young Peoples Mental Health**
- **Understanding Behaviour That Challenges**
- **Counselling Skills**
- **Understanding Specific Learning Difficulties**
- **Understanding Autism**

These are just the popular qualifications, but they have over 30 available!

The qualifications are completed online within a 12-week period at your own leisure. They are equivalent to a GCSE Grade C and certificated upon completion. You can do as many as you like, however you can only do one at a time.

The only criteria you must meet to be eligible, are:

- You must be aged 19 or over on or before 31st August 2022
- You must have lived in the UK/EU for 3+ years
- You must not already be on a Government funded course

If you are interested in undertaking one of these free online courses or would like further information, please express interest via the following link.

Please do not worry, this isn't you committing to a course just yet, it is for The AIM Group to know who is interested.

Once you have registered, Liam from The AIM Group will call/email you to let you know that he is running 'information sessions' next week (Mon-Friday) where you can learn more about the courses and then decide if you'd like to go ahead.

Please note that these courses are run entirely independently by The AIM Group, we are merely just offering our parents/carers the opportunity to take part.

Yours faithfully
