Ref: HPY/LMc/Wellbeing Ambassador

18th April 2023

Dear Parent/Carer

Wellbeing Ambassador

We are delighted to let you know that your child has volunteered for the Wellbeing Ambassador role at school. As part of this important student leadership role, they will attend Wellbeing Ambassador meetings to provide valuable student input into how we can support and promote pupil wellbeing throughout the school. There will also be opportunities to write for the school newsletter and take part in delivering assemblies to their peers as well as helping in whole school events such as Mental Health Week.

In addition, we would like to provide them with a short positive mental health awareness session that will enable them promote mental health and wellbeing across the school, to engage with their peers and have the knowledge to signpost for further support. This is not a replacement for any specialist support provided by school or external services.

Should you have any queries regarding this, please contact **Ms H Pywell** or **Mrs R Smith**.

Yours faithfully
