

2nd May 2023

Dear Parents/Carers

Coventry University – Social Science Taster – 26th May 2023

We are delighted to inform you that we have the opportunity to take fifteen Year 10 students to Coventry University for a taster day on the Social Sciences as part of their FutureGrads programme.

The day will give students an insight into what it is like to study a Social Science based degree course at University. As such, it will be an excellent opportunity for those exploring a future career in Psychology or another Social Science discipline.

The trip is completely free of charge and students will be transported to and from the university via school minibus. The minibus will depart from Etone College at 9am and is expected to return to school for 3:15pm. Students are expected to attend in full school uniform and lunch will be provided by the university. Students are welcome to bring their own lunch if they prefer.

As there are only fifteen student places available, places will be given out on a first come first served basis. Please complete the attached reply slip and return it to either Mrs Chase or Ms Pywell.

If you have any further questions please do not hesitate to contact Mrs Chase.

Yours faithfully

Mr I Smith
Headteacher
