**If your child is nominated for any of these sessions, these sessions are compulsory and it is essential they attend.**

You will receive a message/notification via Weduc/Matrix Academy Trust App (please turn on your notifications to ensure you receive messages) to inform you if your child is nominated to attend a session because they are below target. As a result, an after-school period 6 will show on their timetable. If your child is on or above their target grade, then these sessions are optional however we strongly advise your child attends. Last year pupils that regularly attended these additional sessions had an increased progress of at least 1 Grade. You can refer to the SIMS app for the most recent year 10 progress report.

In addition, we are looking to do further targeted intervention for Maths and English during Form Time.

**Formal mock examinations will be taking place for all Year 11 pupils week commencing 16<sup>th</sup> October up to and including 15<sup>th</sup> November 2023.**

**There is a progress evening in school on Thursday 21<sup>st</sup> September where further information about the mock examinations will be shared.**

Thank you for your continued support.

Yours sincerely
