

ISM/LMC/Year 11 exams

19th September 2023

Etone College
www.etonecollege.co.uk

Dear Parents/Carers

Year 11 Mock Exams – Session 1 (19th October – 15th November)

I am writing to provide you with some information regarding the mock examinations that your child will sit during Year 11. The dates of the mock examinations for Year 11 are as follows:

Mock Series 1	19 th October 2023 – 23 rd November 2023
Mock Series 2	19 th February 2024 – 6 th March 2024

As your child starts the final year of their GCSE course, it is vital that they are fully prepared for the exams in the summer. To support your child in their preparation, the mock exams will be structured as closely as possible to the examinations that they will sit during the summer series. Therefore, these exams will be taking place in the Exam Hall replicating what they will experience in the summer. Pupils will be supported in preparing for these mocks through:

- Assemblies on how to revise and manage exam stress
- A mock assembly providing all of the information about how the mock examinations are organised and expected conduct during exams
- A booklet for yourself and your child with top tips on revision and revision skills
- A Help Your Child Revise Evening for parents – 5th October 2023
- Revision materials in lessons
- Intervention sessions
- Curriculum information on the website ([HERE](#))

Pupils will be given information about the knowledge and skills required, the success criteria and the topics to revise in lessons and this will also be discussed at our upcoming Year 11 Progress Evening on the 21st September. All of this information is provided in order to help them succeed and to help them to focus their revision. Staff will advise pupils of additional revision resources, including online platforms, that they can access to support their preparation.

The exam timetable is detailed below and is also available on the website, together with guides on how to plan and revise for exams. The link below provides further information:

<https://www.etonecollege.co.uk/help-your-child-revise/>

Your support in encouraging your child to plan and revise for these exams both over the weeks leading up to these exams and during the half-term break is very much appreciated. Please also ensure your child has the correct equipment for these exams and attends all required intervention sessions.

We appreciate that exams can be a stressful time for pupils and are providing support with this through form time and assemblies as well as drop in sessions to support pupils if required.

Yours faithfully

Mr I Smith
Headteacher

Year 11 Mock Exams – Session 1
19th October – 15th November

Week 1

Thursday 19th October – Friday 20th October

Session	Subject	Time	Length
Thursday 19th October			
MORNING EXAM	History Paper 1	09:15	2:00
AFTERNOON EXAM	Triple Science Biology Paper 1	13:15	1:45
	Combined Biology Higher Paper 1	13:45	1:15
	Combined Biology Foundation Paper 1	13:45	1:15

Friday 20th October			
MORNING EXAM	History Paper 2	09:15	2:00
AFTERNOON EXAM	Geography Paper 1	13:15	1:30
