

YEAR 9 HOMEWORK TIMETABLE 2023-24

Homework Timetable

Homework is a vital part of a pupil's education. It provides opportunities to further their understanding of work they have done in class and also enables them to develop important skills such as the ability to study and work independently. Homework is set regularly (please see the timetable for details of which night each subject is set). We encourage parents and carers to check the SIMS app regularly so that they can look through their homework with them. We believe that this helps provide parents and carers with a good understanding of the work taking place in school and leads to better outcomes for pupils.

Homework Expectations

- English Maths & Science - a minimum of once a week with a duration of at least 45 minutes.
- Geography History & Languages - a minimum of once a week with a duration of at least 40 minutes.
- Art Computer Science Music & Technology - a minimum of once a fortnight with a duration of at least 30 minutes.
