Dear Parent,

Excellent attendance is the best way to ensure that you are as prepared as possible for your examinations and future. At Etone, we pride ourselves in promoting the benefits of regular attendance.

As we work together to support your child's education, we would like to highlight some key figures that shows the link between attendance and GCSE results.

Based on our 2022/23 results you can see the impact that regular attendance has on the GCSE grades achieve by out pupils:

Attendance	Grade Average
100	7+
95	6+
90	5
80	3
50	2

Just 10% of attendance can impact the progress your child makes by as much as 2 grades. From a recent study into GCSE results vs potential earnings the following was found:

National GCSE Average: 5

Grades compared to national average	Est. Additional Earning Potential (per annum)	Est. Additional Earning Potential (Lifetime)
9	£9,520	£418,880
8	£6,100	£268,400
7	£3,800	£167,200
6	£2,400	£105,600

We look forward to your continued support in ensuring your child attends every day.

Yours sincerely

Mr I Smith
