

How do schools use the pupil premium funding?

There is clear guidance provided by the Department for Education which is located here <https://www.gov.uk/government/publications/pupil-premium> . Our expenditure of pupil premium funding is outlined on our website. All expenditure is required to be supported by evidence of its efficacy before it is implemented. For this, and as advised by the DfE, we use the Education Endowment Foundation's suite of publications to support the decision made in the expenditure of the funding. Support available to you.

In the current climate we are aware of the difficulties presented to some of our families. Finding support can be difficult but the Warwickshire county council website is a good place to start.
