

22nd December 2023

Dear Parents/Carers

When we return on Tuesday 9th January we will be running **compulsory** booster/intervention sessions during registration and period 6 afterschool for all pupils.

These sessions are designed to boost pupil's knowledge, skills and understanding and to refine their exam technique ahead of the upcoming mock examinations. These sessions are vital for your child to maximise their potential and achieve their baseline grades. Please ensure your child attends all sessions.

Your child will receive an updated timetable for morning and afterschool sessions in the SIMS app from Tuesday 9th January and a paper copy will be given to them in the New Year.

As these sessions are compulsory your child will only be allowed to miss these sessions if you have given advance notice to House Office.

Please be aware mock examination series 2 will be taking place for all Year 11 pupils week commencing 5th February. These examinations will include all subjects.

Year 11 progress evening is Thursday 25th January, this will give you an opportunity to discuss with subject teachers how your child is progressing and what they can do to succeed for the mock exams and upcoming summer final exams.

Thank you for your continued support.

Yours faithfully

Mr I Smith
Headteacher
