

# Etone College

## STUDENT FEEDBACK

### 2024

## You Said...

- You understood the importance of the employability skills
- You can clearly name the employability skills and talk about why each skill is important
- You also recognised the careers lessons and importance of the careers events and trips you have taken part in
- You need a reminder of how to get an employability badge
- You required more information about the different qualifications after year 9
- You wished to know more information about T Levels
- Some of you wanted more university visits
- You wished to see representation from the following careers in future careers events, Farmers, womens sports, railway and chefs
- You wanted more STEM

## We Did...

- 8 University trips are in place for years 10, 11 and Post 16 this year.
- Year 8 have also had visits in school from Wawick University Law school
- On careers day we have representatives from agriculture, sports and the railway
- We have worked closely with Coventry University to organise bespoke trips for selected students
- The HPA programme is thriving involving a lot of interaction with our students from various year groups with universities
- We are working with Smallpeice and the Talent Founddary to deliver STEM workshops
- In careers assemblies we have covered T Levels and employability skills
- In Tutor time you will have discussed the Gatsby benchmarks and how to gain employability skills badges
