

26<sup>th</sup> February 2024

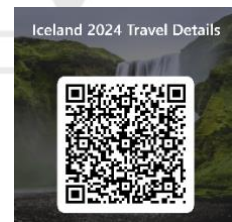

Dear Parent/Carer

### **Iceland 2024 Trip Update**

This letter is being sent to provide a brief update of the Iceland trip from the 2<sup>nd</sup> - 5<sup>th</sup> May 2024.

Once again Iceland has continued to make the news during late January and early February with further volcanic eruptions. I would like to reiterate that the guidance from Visit Iceland, the Icelandic Government and the British Government has not changed and the country is largely running as normal so this currently does not affect the trip running this year.

The main purpose of this letter is to provide you with the following QR code to complete up-to-date information required for the trip later this year. Without these details your child will not be allowed to leave on the trip as they are the requirements for international travel. **Please access the link below or use the QR code provided to complete these details before Tuesday 5<sup>th</sup> March 2024.**

<https://forms.office.com/e/kHPZPNkW4g>

Secondly, please can I extend the invite to come into school on **Thursday 7<sup>th</sup> March 2024 at 16:30** to discuss timings and the itinerary, complete various forms and confirm student details for the trip. There will be a secondary meeting closer to the trip including a parent pack with further details around the trip.

**As a reminder please note that your child will need a valid UK passport to travel and this will need to be valid for at least six months after their return date. Without this, your child will be unable to travel.**

Should you have any queries regarding this trip, please contact Mr Hope.

Thank you for your support.

Yours sincerely,

Mr I Smith  
Head Teacher

Mr B Hope  
Head of Geography
