24th June 2024

Dear Parents/Carer

I am writing to inform you that on **Wednesday 3rd July 2024** we will be holding our annual Taster Day for prospective Year 12 students.

As a result, in order to facilitate the smooth running of this event, all current Year 12 students will have a "work from home day" on **Wednesday 3rd July 2024**. Independent study tasks will be set by staff in advance to ensure that all students are clear of the work required to be completed and so that they have ample opportunity to ask for guidance should this be required.

Thank you for your support. I am sure you can appreciate that this is an important and valuable day for our prospective students. They will experience a day in the life of Etone College Sixth Form and hopefully make informed decisions about their next steps. Please accept my apologies for any inconvenience this may cause.

Yours faithfully
