These sessions are designed to boost pupil's knowledge, skills and understanding and to refine their exam technique ahead of the upcoming mock examinations. These sessions are vital for your child to maximise their potential and achieve their baseline grades. Please ensure your child attends all sessions.

Your child will receive an updated timetable for morning and afterschool sessions in the Matrix Academy Trust app from Tuesday 7th January and a paper copy will be given to them in the New Year.

As these sessions are compulsory your child will only be allowed to miss these sessions if you have given advance notice to House Office.

If your child has attendance greater than 97% to these booster sessions then they will be awarded a discount to their Prom ticket in the summer.

Please be aware mock examination series 2 will be taking place for all Year 11 pupils week commencing 10th March. These examinations will include all subjects.

Year 11 Progress evening is Thursday 23rd January, this will give you an opportunity to discuss with subject teachers how your child is progressing and what they can do to succeed for the mock exams and upcoming summer final exams.

Just a reminder that applications for Etone College 6th form are currently open and the application form can be found by scanning the QR code.

Thank you for your continued support.

Yours faithfully

A handwritten signature in blue ink, appearing to read 'I Smith', positioned above the printed name.
