Dear Parents/Carers

**2024-2025 Careers, UCAS & LFL Provision including the upcoming parents Workshop**

In all years at Etone college we value our careers programme. As parents you can support your child in their career aspirations by visiting our website with your child and exploring the different options available

<https://matrixacademytrust.co.uk/careers/etone-college/>

Discussing next steps and possible future careers and researching career options is also a valuable experience. Looking at prospectuses from local colleges and sixth forms to see entry grades for different subjects (links can be found on the page above). It really is never too early to start to think about your child's future.

We advertise apprenticeships and opportunities and events on our twitter page. Our website above has comprehensive advice on many topics including interview techniques, CVs and universities. Please feel free to contact the school reception and ask for Mrs Barlow if you require further support.

Attached is our road map of key provision for each year group so you can remain informed. Once again, more details can be found on our website. Our next school event will be our Parents on line session to look at the careers provision. This will be on July 18<sup>th</sup> from 4.00-4.30 on Teams for general information about our careers and LFL provision. This will then be followed by a session looking at UCAS for year 12 parents starting at 4.30 – 5.00. The session will also be recorded and placed on our website, we hope to see you there.

The aims of this session will be

- **To understand the program for Careers, Information, Advice and Guidance at Etone College.**
- **To share the information and support provided to our parents and carers from Etone College with regard to careers**
- **To provide information about the Learning for Life curriculum and lessons.**

If you wish to receive a link to join the session please complete the MS Form below

<https://forms.office.com/e/TZDnqCL1jU>

Yours faithfully

**Mr I Smith**  
**Headteacher**
