Why Ebacc Curriculum

Etone College
‘PROGRESS FOR ALL’

- The Ebacc subjects are considered essential to many degrees and they open lots of doors in the future.
- A study by UCL shows that pupils studying these subjects will have greater opportunities in further education and are more willing to stay in full time education.
- Sutton Trust research has shown that studying the Ebacc can help improve a young person’s performance in English and mathematics.
- The current government target is to see at least **90%** of pupils studying the Ebacc qualification by 2025.

Time Line

- **Thursday 6th February** – Year 9 Progress Evening
- **WB Monday 10th February** – Pathways Assembly & Pathways booklet/pack received. Taster lessons and more subject assemblies

Selection Guidance

- All your subject choices must be different including your reserves subjects.
- Your choices must follow the guidelines given otherwise your choices will not be counted.
- It is not first come, first served. All selections made before the 7th March deadline will be analysed together. Any choices after this date will be classed as late.
- **We will do our best to ensure that the first choices in the option process are met however this may not always be possible. The school reserves the right to withdraw courses in the light of staffing and numbers. As a result, we may have to offer the reserve choice**
