Year 10 End of Year Exams (9th June – 27th June)

End of year exams are very important to assess your child's progress to date. The grades achieved will be used to review sets and the tier of entry that your child will be recommended for when they sit their GCSE exams in the summer of Year 11.

In the lead up to these examinations, pupils will be given information about the knowledge and skills required, the success criteria and the topics to revise. In lessons they will revisit content along with specific revision strategies for their subjects. This information is provided in order to help them succeed and maximise their potential.

The exam timetable is attached and will be available on the website in the next day or so, together with guides on how to plan and revise for exams. Pupils will be given topic lists detailing what will be examined: <https://www.etonecollege.co.uk/help-your-child-revise/>

We would also like to draw your attention to our Parent Support page with a link to our 'Help Your Child Revise' video recording: https://www.etonecollege.co.uk/wp-content/uploads/2022/11/Help-Your-Child-Revise-New_compressed.pdf

Your support in encouraging your child to plan and revise thoroughly for these exams over the weeks leading up to them is very much appreciated. Please also ensure your child has the correct equipment for these exams.

Yours faithfully

Mr I Smith
