

“You Said, We Did”

Parent Advisory Forum - 26th June 2025

You Said	We Did
A member noted that mid year admissions do not received the same transition support	We agreed that we would do bespoke tours to ease transition for these pupils
A member noted that parents as well as pupils also struggle with transition from primary to secondary	We said we would consider a number of parent engagement sessions to be scheduled to build familiarity with school and its routines.
A member requested further information on pastoral support from Year 11 to 6th Form	The school will provide and signpost a pastoral support menu for pupils to access in 6th form should they feel they need additional guidance.
