

16th September 2025

Dear Parents/Carers

In order that Year 11 pupils are fully prepared for their mock and summer exams, we are running extra sessions after school to boost their knowledge, skills and understanding across a range of subject areas.

All pupils are invited to attend pre-mock revision sessions to help support and maximise their potential in the upcoming October mock examinations. These sessions are designed to give pupils exam practice and help refine their exam technique for success.

Attendance to these sessions is strongly recommended for exam success.

From **Monday 22nd September**, we will be running sessions after school, across a range of additional subjects as follows:

DAY	SESSION	TIME	SUBJECT
Monday	After School	3.15-4.15pm	English Literature & Language
Tuesday	After School	3.15-4.15pm	Geography History French German Psychology
Thursday	After School	3.15-4.15pm	Mathematics Science
Friday	After School	3.15-4.15pm	Computer Science

Last year pupils that regularly attended these additional sessions had an increased progress of at least 1 Grade.

Formal mock examinations will be taking place for all Year 11 pupils week commencing 6th October up to and including 23rd October 2025.

There is a progress evening in school on Thursday 18th September where further information about the mock examinations will be shared.

Thank you for your continued support.

Yours sincerely
