Dear Parents/Carers

Since our return in September we have been running additional grade booster sessions for Year 11 pupils to help them prepare for their summer exams.

A reminder that next mock examination series will be taking place for all Year 11 pupils in all subjects, week commencing 23rd February for two weeks.

When we return on Tuesday 6th January we will be running **compulsory** grade booster/intervention sessions during period 6 afterschool for all pupils.

Afterschool Period 6 Sessions 3.15pm – 4.15pm	
Day	Subject
Monday	English P Maths Q
Tuesday	Science P English Q
Wednesday	Geography History
Thursday	Maths P Science Q
Friday	French German Computer Science

These sessions are designed to boost pupil's knowledge, skills and understanding and to refine their exam technique ahead of the upcoming mock examinations. These sessions are vital for your child to maximise their potential and achieve their baseline grades. Please ensure your child attends all sessions.

Your child will receive an updated timetable for afterschool sessions in the Matrix Academy Trust app from Tuesday 6th January and a paper copy will be given to them in the New Year.

As these sessions are compulsory your child will only be allowed to miss these sessions if you have given advance notice to House Office.

The exception to the timetabled sessions above are the revision sessions for the external exams in some vocational courses in early January.

Thursday 8 th January	Sport (AM)
Friday 9 th January	Child Development (AM) Health & Social Care (PM)
Tuesday 13 th January	IT (AM)

Year 11 Progress evening is Thursday 23rd January, this will give you an opportunity to discuss with subject teachers how your child is progressing and what they can do to succeed for the mock exams and upcoming summer final exams.

Just a reminder that applications for Etone College 6th form are currently open and the application form can be found by scanning the QR code.

Thank you for your continued support.

Yours faithfully
