

# ETONE COLLEGE SIXTH FORM

ENRICHMENT OPTIONS 2025/6

YEAR  
12 & 13  
MONDAY P2

# Why do Enrichment?

Our enrichments not only give you the chance to do something completely different, but also help you broaden your skills, knowledge and experience, giving you the edge when applying for higher education courses, apprenticeships or employment.

Our programme is designed to enrich your studies with options suited to your interests and aspirations, whilst helping you get the most out of your time with us. We have created a dedicated enrichment slot on the timetable to allow you to participate in the programme.

Our programme of enrichments is varied , that there is something for everyone to enjoy and there is a lot to be gained by adding an enrichment to your programme of study

You can maximise your learning outside of the classroom and gain numerous life skills, giving you an added dimension when applying for high education courses, apprenticeships or employment.

Block 3 – 9 weeks  
April – June

Mathematical Studies

EPQ

Duke of Edinburgh – Bronze or Silver

Subject Ambassador/Library Support

Online Subject Knowledge Enhancement Course

Sport

Gardening Club

Just Dance

Book Club

Film Club

Study Skills

Art Class

Creative Craft Club – Textiles

Printmaking

Touch Typing

Driving Theory Support

Cooking to prepare for independent living

# Whole Year Enrichment Options

# Extended Project Qualification (EPQ) – Level 3 Qualification

The EPQ allows you to learn and develop skills that you then apply to your own independent research project. The enrichment lessons will be used to teach you these skills, the research project itself will be completed in your own time. There is the choice of presenting your project as a 5,000 word essay or as an artefact accompanied by a 1,000-5,000 word essay.

The EPQ has four assessment objectives:

**Manage** – identify, design, plan and carry out a project. Apply a range of skills, strategies and methods to achieve objectives.

**Use resources** – research, critically select, organise and use information, and select and use a range of resources. Analyse data relevantly. Demonstrate understanding of the links, connections and complexities of your chosen topic.

**Develop and Realise** – select and use a range of skills, take decisions critically and achieve planned outcomes.

**Review** – evaluate all elements of your project

**Great for:** Showing your interests to potential universities (some include the qualification in their offers). Showing readiness for university life. Developing your knowledge beyond the specification of one of your chosen level 3 subjects.

**UCAS Points:** Successful completion of the EPQ earns UCAS points.

A\* - 28, A - 24, B - 20, C - 16, D - 12, E - 8

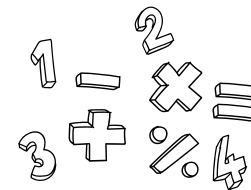

**Suitable for:** Independent, highly motivated students who have a genuine interest and enthusiasm for pursuing a project.

**Enquiries to:** Mrs S Leftwich-Lloyd (SLeftwich-Lloyd@etonecollege.co.uk)

**When:** This option will take the whole year

**Other:** You may wish to purchase a textbook but this is optional

# Mathematical Studies (Core Maths)

Maths is seen everywhere and used more often than we realise. It is a subject that is for everyone. Core Maths is a diverse, engaging and essential course that looks to equip students with skills for everyday life and to further advance their career prospects.

The course is assessed across two exam papers. The first focusing on the compulsory content units of 3.1, 3.2 and 3.3. The second focusing on the content of 3.4, 3.5, 3.6 and 3.7.

## Compulsory content

3.1 Analysis of data

3.2 Maths for personal finance

3.3 Estimation

3.4 Critical analysis of given data and models

Additional content

3.5 The normal distribution

3.6 Probabilities and estimation

3.7 Correlation and regression

Throughout this course, students will learn how Maths is all around them and how it is used every day, regardless of course, career or ambition, and how to use this Maths to help further understand the world outside of college.

## Entry Requirements

GCSE Maths Grade 5 or above

Grade 4 in four other subjects including English Language

Equivalent to an AS Level. Must be taken in addition to three other subjects.

**Great for:** Students who want additional maths. Some Universities give you reduced entry requirements with this qualification.

**UCAS Points:** Successful completion of this qualification earns UCAS points.

A\* - 28, A - 24, B - 20, C - 16, D - 12, E - 8

**Suitable for:** This course is suitable for those students who would like to study Further Education or Higher Education courses which have mathematical content or pursue a career in a range of different areas including Physics, general science, Engineering, Banking and Finance, Business, Event Management and Planning, Medicine and Teaching. Ask teaching staff for more information about the transferable skills that the subject develops.

**Enquiries to:** Mr N Randall (NRandall@etonecollege.co.uk)

**When:** This option will take the whole year

**Other:** You may wish to purchase a textbook but this is optional

# Subject Ambassadors or Library Support

**Do you want a job with children in the future? Do you want experience working with young people?**

Become a Subject Ambassador and support in lower school lessons! You'll work alongside teachers to help younger students build confidence and develop their skills while strengthening your own understanding of the subject. It's a great way to gain leadership experience, improve communication skills, and make a real difference — all while inspiring the next generation of learners!

**kills Developed:** Communication, experience with young people. Develop leadership and communication by supporting younger students and promoting your subject area, building confidence useful for university and work interviews.

**Suitable for:** Anyone

**Enquiries to:** Miss A Sandilands (ASandilands@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

# Duke of Edinburgh - Gold

Through the DoE programme you can have fun, make friends, improve your self-esteem and build confidence. You will gain essential skills and attributes for work and life such as resilience, problem-solving, team-working, communication and drive, enhancing CVs and university and job applications. Top employers recognise the work-ready skills Award holders bring to their business.

**Great for:** Discovering new interests and talents. Developing essential skills for life and work. It is a recognised mark of achievement; respected by employers and universities

**Suitable for:** You will be required to participate in a residential and multiple day camp and hike.

**Enquiries to:** Mr G O'Brien (GOBrien@etonecollege.co.uk)

**When:** This option will take the whole year

**Other:** Enrolment £50 + additional expedition fees. (Details to follow)

# Online Subject Knowledge Enhancement

**UCAS Subject Spotlights**

**What Are UCAS Subject Spotlights?**

- Subject Spotlights are interactive, on-demand online course tasters created in partnership with Springpod and leading universities.
- Each Spotlight features 30–40 minutes of high-quality video content, real university lectures, and practical tasks delivered by academic staff.
- They're completely free and accessible through the pupils UCAS Hub account, allowing them to sample any subject at their own pace

**Open University Course sand Future Learn**

An alternative to the UCAS Subject Spotlight are course available from platforms such as The Open University and Future Learn. These courses often delve deeper into the subject matter and can give you a greater insight into future studies.

**Great for:** Build independence and self-management by completing structured online learning — skills that prepare you for lifelong learning and career progression.

**Suitable for:** Independent, highly motivated students who are interested in expanding their knowledge in a variety of different areas in to support them in applying for higher education

**Enquiries to:** Miss A Sandilands (ASandilands@etonecollege.co.uk)

**When:** This option will take the whole year

# Community Support

Help out with college events, support staff and students, and take part in projects that make our campus a better place for everyone. It's a great way to build teamwork, responsibility, and leadership skills while giving something back to your college community!

**Skills Developed:** Communication and resilience by working alongside others. Contributing to the wider school. Working alongside the site team enhancing your teamwork skills.

**Suitable for:** Anyone

**Enquiries to:** Miss A Sandilands (ASandilands@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

# Termly Enrichment Options

## Sixth Form Sport

Being part of a sport helps to foster a sense of camaraderie and teamwork that extends beyond the game itself. Being a member of this team will entail valuable life lessons about discipline, perseverance, and the importance of working together towards a common goal. It's not just about winning matches; it's about the friendships formed, the personal growth achieved, and the memories created on and off the pitch or court.

**Great for:** Team-working, Engagement, Resilience Building, Decision-Making, Fitness.

**Suitable for:** Those with an interest in sports and who wants to play competitively against other schools/colleges. The specific sport you will be playing will be determined by Mr Astall and based on weather.

**Enquiries to:** Mr W Astall (WAstall@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

## Gardening Club

Join our Gardening Club! Grow plants, learn how to care for flowers and vegetables, and help make our college grounds greener and more beautiful. It's a great way to relax, connect with nature, and make new friends while seeing the results of your hard work blossom!

**Great for:** Learn patience, responsibility, and environmental awareness while developing practical life skills for healthy and sustainable living.

**Suitable for:** Anyone interested in enhancing their study skills to improve their exam practice.

**Enquiries to:** Miss L Turner (JMammatt@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

## Just Dance

No experience needed — just bring your energy and enthusiasm! Dance along to your favourite songs, stay active, and have a laugh with friends while learning new moves. It's the perfect way to unwind, boost your mood, and get moving to the music!

**Great for:** Boost confidence, physical activity, and teamwork while enjoying fun movement — developing positivity and stress management for adult life.

**Suitable for:** All

**Enquiries to:** Miss A Sandilands (ASandilands@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

# Book Club

Join our Book Club! It's the perfect place to relax, share your thoughts, and discover new reads with fellow book lovers. Whether you're into thrillers, classics, or contemporary fiction, everyone's welcome. Come chat, unwind, and let's turn the page together on some novels!

**Great for:** Expanding vocabulary and improving writing skills, developing critical thinking and analytical skills through understanding diverse viewpoints and literary techniques, and enhancing personal development by fostering empathy and imagination.

**Suitable for:** Anyone with an interest in reading  
**Enquiries to:** Mr W Key (WKey@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

# Arts Class

Are you looking for a creative outlet or want to build on your artistic skills? Whether you're a seasoned artist or a complete beginner, our Arts & Craft Club offers something for everyone. From painting and drawing to pottery and DIY projects, you'll have the opportunity to explore a range of mediums and techniques. It's a great way to relax, meet like-minded students, and create something unique. We'll also dive into collaborative projects and exhibitions, giving you the chance to showcase your work. Join us and let your creativity shine!

**Great for:** Encourage self-expression, creativity, and problem-solving, boosting confidence and transferable creative thinking skills.

**Suitable for:** Anyone

**Enquiries to:** Miss C Potts (CPotts@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

# Film Club

Watch a wide range of films — from timeless classics to modern hits — and share your thoughts in fun but informative discussions. Whether you're a film fanatic or just enjoy a good story, it's a great way to unwind, explore new genres, and see movies in a whole new light!

**Great for:** Explore culture, creativity, and discussion skills through film and reflection, preparing for analytical thinking in higher study and the workplace.

**Suitable for:** All

**Enquiries to:** Miss V Green (VGreen@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

# Creative Craft Club - Textiles

'If there is going to be downtime time then let's make'

Are you a person who likes classes that are fun and creative with a hands-on approach? Would you like to see your ideas come to life or perhaps love problem solving and using 3D Prototyping & Design then this is the class for you.

**Great for:** Develop patience, focus, and creativity through hands-on projects, encouraging wellbeing and practical skills valued in adult life.

**Suitable for:** Anyone with an enjoyment of creating new products.

**Enquiries to:** Mrs D Beasley (DBeasley@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

# Study Skills

Join our Study Skills Club! Learn how to manage your time, stay organised, take effective notes, and boost your confidence in exams. Whether you're aiming for top grades or just want to feel more in control of your workload, this club will help you reach your goals — and make studying a little easier (and even fun!).

**Great for:** Learn effective revision, organisation, and time-management strategies that prepare you for exams, higher education, and workplace deadlines.

**Suitable for:** Anyone interested in enhancing their study skills to improve their exam practice.

**Enquiries to:** Miss L Turner (JMammatt@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

# Print Making

Explore creative techniques like lino cutting, monoprinting, and screen printing to produce your own unique artwork. Whether you're a seasoned artist or a total beginner, this is your chance to experiment, get messy, and create something truly original to take home and be proud of!

**Great for:** Develop creative expression through experimentation with different techniques like lino printing and mono-printing. Build proficiency in using tools, media, and materials. Enhance cultural awareness by looking at historical and contemporary prints from diverse cultures and artists.

**Suitable for:** Anyone

**Enquiries to:** Miss E Hyland (EHyland@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

# Touch Typing

Learn techniques to type faster and more accurately without even looking at the keys. Whether you're preparing for future studies, office work, or just want to impress your friends with lightning-fast typing, this club will help you level up your digital skills in a relaxed and supportive environment.

**Great for:** Increase typing speed and accuracy, a core employability skill that improves efficiency in almost every workplace.

**Suitable for:** All

**Enquiries to:** Miss A Sandilands (ASandilands@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

# Driving Theory Support

Learn the rules of the road, build your confidence, and prepare for your theory test with helpful tips and practice questions. Whether you've just started revising or want to fine-tune your knowledge, these sessions will get you one step closer to passing your test and gaining your independence!

**Great for:** Prepare for independence by learning road safety and theory, building responsibility and focus needed for safe driving and everyday decision-making.

**Suitable for:** Those preparing to pass their driving test

**Enquiries to:** Miss R Carty (RCarty@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3

# Cooking to prepare for independent living

Have you ever wanted to learn how to cook simple easy recipes that won't cost you a fortune? Come and join cooking club. This will help you in the coming years when you may be moving out of home and living on your own. Learn how to cook meals that incorporate a balanced diet as well as healthy 'fakeaway' recipes!

You do not need to be an experienced chef in the kitchen!

**Great for:** Improving teamwork, resilience, organisation, preparing you for independent living and adulthood, learning about nutrition and health.

**Suitable for:** All

**Enquiries to:** Mr T Evers (TEvers@etonecollege.co.uk)

**When:** Term 1, Term 2, Term 3
