Wider Opportunities Parent\Carer Survey

At Etone College we pride ourselves on offering a high quality and aspirational curriculum for all pupils. This includes our co-curriculum which offers a wide range of opportunities and experiences for our pupils. We have consulted our pupils and designed an extra-curricular programme to develop their skills, talents and interests. We would value your input as parents/carers to this so that we can gather as much information about your child to continue to tailor our provision.

Last half term we sent the Microsoft forms below to gather your views, if you have not yet completed the survey we would very much appreciate it if you could take the time to complete the survey below by **Friday 23rd January**.

<https://forms.office.com/e/L8kahXhxs2>

We would appreciate you discussing the information above with your child, especially if they do not already attend a club as they might find one which they would love to try.

Yours faithfully
