Subject Ambassador Student Leadership – Supporting in Lower School Lessons

I am delighted to inform you that **[Student's Name]**, had been selected to be a **Subject Ambassador** as part of their enrichment activity this academic year.

This is a fantastic opportunity for them, as some of the most experienced and senior students in the school, to serve as exemplary role models and provide valuable support to younger year groups across a range of lessons.

Your child has selected to support in **[Subject Name]** with students between **Years 7–11**, for **one hour per week** during an independent study lesson. This arrangement ensures that your child will not miss any of their Level 3 course lessons.

This opportunity will allow your child to further develop their communication, teamwork, and leadership skills which are all highly valued by future employers and universities.

As a Subject Ambassador, your child will be supporting in lessons through the following activities.

- Supporting students in the classroom by explaining teacher instructions
- Assisting the teacher with distributing worksheets and equipment
- Helping to facilitate class discussions between pairs or groups
- Working alongside the teacher to support individual students
- Encouraging and supporting students through a positive and motivational approach

We are confident that this experience will be both rewarding and beneficial for your child's personal and academic development.

Should you have any queries, please contact Mrs Sweet (csweet@etonecollege.co.uk)

Yours faithfully,

Mr I Smith
