

29th April 2026

Dear Parent/Carer,

University Open Days

Attending open days is an ideal opportunity for your child to speak with lecturers and student ambassadors to get a better idea about potential degrees and what each individual university has to offer.

You can also ask questions about accommodation and facilities. Please note, not all universities have released their 2026/2027 Open Days, therefore you will need to check for updates on their websites throughout the year.

All open days are free to attend. Any mid-week visits would be recorded as an authorised absence, as this is seen as a recognised educational day. Some require you to register beforehand on their website. Each university will have bespoke modules for courses, so we highly recommend going to visit each university your child is thinking of applying to.

Please find attached a list of upcoming open days for **Russell Group Universities** in the UK.
