Dear Parent/Carer

### **Co-Curriculum Activities**

We are very proud of our co-curriculum at Etone College which provides pupils with numerous opportunities to develop their talents and interests as well as look after their wellbeing. We really enjoyed raising awareness of our top tips for wellbeing last week during Mental Health Awareness Week. Please check out the wide range of activities that pupils took part in here <https://www.etonecollege.co.uk/news/>

As part of our co-curriculum, we are pleased to announce that we have added an extra Just Dance session on a Tuesday break with Mrs Price in the Hall. This gives pupils the chance to get active, have some fun and connect with their peers, all of which are fantastic for their wellbeing. Year 8 have also got more table tennis tables, so pupils wishing to play at break time, should speak to Mr Chauhan who is taking a lead on Year 8 table tennis at break.

We are also very pleased to offer some new clubs - a break time games club in the Tanner Building on a Thursday with Mrs Smith and a weekly Brew Monday after school club with Mrs Ratcliffe where pupils are invited for a drink, biscuits, quizzes and games and to spend time with their peers.

Our aim is that as many pupils as possible take part in an extracurricular activity. Please find a link to our provision here <https://www.etonecollege.co.uk/extra-curricular/>

Please take time to discuss all the opportunities with your child. We would also really appreciate it if you could take the time to encourage your child to attend at least one club this year. Not only is participation a great way to make new friends but also to learn new skills.

Many thanks in advance for your support.

Yours faithfully
