

YEAR 11 HOMEWORK TIMETABLE 2026-27

Homework Timetable

Homework is a vital part of a pupil's education. It provides opportunities to further their understanding of work they have done in class and also enables them to develop important skills such as the ability to study and work independently. Homework is set regularly (please see the timetable for details of which day each subject is set). We encourage parents and carers to check the Matrix Academy App regularly so that they can look through their homework with them. We believe that this helps provide parents and carers with a good understanding of the work taking place in school and leads to better outcomes for pupils.

Homework Expectations

- English Maths Science Geography & History - a minimum of once a week with a duration of at least 60 minutes.
- Option Subjects - a minimum of once a week with a duration of at least 30 minutes.
